See how many of these reading suggestions you can check off this summer

Dear Students,

The Summer Reading Game Board has suggestions for trying different kinds of books and reading activities. As you complete one, have your parents initial the square and cross it off. See how many you can do!

In the space below, tell us about a favorite book you read this summer or a reading activity from the Summer Reading Game Board. Don't forget to write down the total number of books you read in the last square. Please return this to your teacher during the first week of school.
Happy Reading!

Mrs. Nelson
